Dir Sirs,

In response to your California Public Records Act Request dated January 4, 2019 regarding Predictive Algorithmic software packages, the San Diego Harbor Police Department advises it does not utilize such software or service agreements designed to anticipate criminal activities within its jurisdiction.

The Harbor Police Department has not purchased software for predictive criminal activity, nor does it utilize services performed by outside contractors for the same purpose.

The Harbor Police Department does not have in place existing or proposed usage policies regarding the use of Predictive Algorithmic software packages or service agreements.

The Harbor Police Department has not and is not involved in litigation involving or referencing use of Predictive Algorithmic software packages or service contractors.

If you require any further information or if you need any clarification, please feel free to contact me at my office, (619) 686-6524.

Thank you,
